

Launch of G. K. Chanrai Memorial Hospital, Zaria, Kaduna state

Kewalram Nigeria Plc has constructed the G.K.Chanrai Memorial Hospital in the premises of Sunseed Industries at Zaria, Kaduna State with the objective of providing health care services to the workers and their families and the communities in the immediate neighborhood.

The Hospital will provide specific services like

- Out-patient consultation rooms to provide services by a Doctor
- Wards for in-patients, separate for men, women and children
- Antenatal services including ultrasound scan
- Delivery care services
- Neonatal ward with an incubator for taking care of premature and low birth weight babies
- Laboratory services
- Drug store and Dispensary

The G. K. Chanrai Memorial hospital, Zaria was launched on June, 4th 2015 by the Honorable District Head Alhaji Lawal Zailani, Mr. Victor, Group Deputy MD, Kewalram Chanrai Group and Mr Abubakar Usman, The Director Primary Health Care, Zaria Local Government.
